NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD VIRTUALLY AT 10:00 AM (ET) ON JUNE 4, 2026

NOTICE IS HEREBY GIVEN that the annual and special meeting of shareholders (the “**Meeting**”) of Purepoint Uranium Group Inc. (the “**Company**”) will be held virtually on Thursday, June 4, 2026 at 10:00 a.m. (EDT) for the following purposes:

1. to receive the audited financial statements (the “**Audited Financial Statements**”) and the management discussion & analysis (“**MD&A**”) of the Company for the financial year ended December 31, 2025;
2. to elect directors of the Company for the ensuing year;
3. to reappoint MNP LLP as the auditors of the Company for the ensuing year and to authorize the board of directors of the Company (the “**Board of Directors**”) to fix their remuneration;
4. to consider and, if thought appropriate, pass an ordinary resolution approving the Company’s Omnibus Equity Incentive Compensation Plan as more particularly described in the accompanying management information circular (the “**Circular**”); and
5. to transact such further or other business as may properly come before the Meeting or any adjournment or postponement thereof.

The specific details of the foregoing matters to be put before the Meeting are set forth in the Circular to be provided by the Company under the Notice and Access System as described below. The full text of the resolutions for the matters listed above is set out in the Schedules to the Circular.

The Board of Directors has fixed April 15, 2026 as the record date for the determination of the shareholders of the Company entitled to receive notice of the Meeting. Shareholders so entitled are invited to attend the Meeting.

VIRTUAL MEETING – The Company has elected to hold the Meeting virtually. Registered shareholders and duly appointed proxyholders will have the opportunity to attend the Meeting online, submit questions, and vote in real time through a web-based platform instead of attending the Meeting in person. Non-registered or beneficial shareholders who have not appointed themselves as proxyholder will be able to attend the meeting as guests, but will not be able to vote or ask questions. Since the Meeting will be held virtually, shareholders will not be able to attend the Meeting in person. The Company encourages all shareholders to vote in advance of the Meeting by proxy. Please see the section entitled “Virtual Meeting” on page 2 of the Circular for detailed instructions on how to attend and participate at the Meeting.

In order to attend the Meeting virtually, shareholders are required to log in to <https://virtual-meetings.tsxtrust.com/1879> at least fifteen (15) minutes prior to the start of the Meeting. Once logged in, registered shareholders will be required to provide the password (purepoint2026) and their control number to vote at the Meeting. Alternatively, shareholders can take steps to submit their votes by proxy by following the instructions below and as further set out in the accompanying Circular.

NOTICE AND ACCESS – The Company has elected to utilize the notice-and-access system under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Ongoing Requirements for Issuers and Insiders* of the

Canadian Securities Administrators (the “**Notice and Access System**”) for delivery of the Circular to each of the shareholders of the Company whose proxy is solicited for the Meeting.

Under the Notice and Access System, instead of delivering a paper copy of the Circular, the Company is permitted to provide its shareholders with a notice directing them to a website where they can access an electronic copy of the Circular online and vote their shares using their preferred method either through internet or via paper return. The Company anticipates that the Notice and Access System can directly benefit the Company through a substantial reduction in both postage and printing costs, and also promote environmental sustainability by reducing the large volume of paper documents generated by printing proxy related materials. As a corporation existing under the *Canada Business Corporations Act* (the “**CBCA**”), the Company is required to apply for, and has obtained, the requisite approval from Industry Canada to exempt the Company from the requirement under the CBCA to deliver the prescribed Circular to its shareholders.

Notwithstanding the use of the Notice and Access System, under the applicable securities and corporate laws, the Company is still required to deliver paper copies of this notice and the proxy form to its shareholders eligible to attend the Meeting. In addition, the Company is required to deliver paper copies of the Audited Financial Statements and MD&A to its registered shareholders (unless such registered shareholder has informed the Company in writing declining to receive a paper copy of such annual documents) as well as its beneficial shareholders who have submitted a completed supplemental card to the Company or its transfer agent requesting for the delivery of such annual documents.
